● Manufacturers *lifetime limited warranty*

● Provides an *unobstructed view* open or closed.

● The *reliable side sealing system* has been tested and proven to provide years of sealing & unsealing.

● *Compatible* with most pickup truck bed accessories such as, bed rails, tailgate protectors, tie down hooks and bedliners.

● *Textured*, double coated, commercial grade heavy duty reinforced vinyl. Flexible at -40, is stretch & shrink resistant and UV protected.

● The *rolled up storage* offers maximum hauling and convenient compact cover storage.

● *In a matter of seconds*, the cover can be opened taking the roll-up bar and bows with it and stored behind the cab with 2 quick attach and release storage straps.

● *Made model specific* for a better fitting, longer lasting cover.

● The *cover tension* is from front to back. By over-centering the roll-up/tensioning bar, the cover is pulled tight and automatically secured by the autolatch.

● *Three Point* Locking System.
